RESORT & SPA

HUA HIN

THAILAND

Some 90 years ago Prince Chakrabongse led a party of international aristocrats down the peninsula to hunt game. Shortly thereafter the King built a palace on the beach he fittingly named Klai Kangwon meaning "far from worries". Now, in the same relaxed style Anantara Resort & Spa emerges as a palace in its own right. Timeless and without worry.

Nestled by the beach on the sunrise side of the Gulf of Siam, the spirit of Anantara offers a unique blend of traditional Thai architectural heritage, exotic interiors and natural tropical gardens that has made this Resort & Spa one of the most romantic hideaways in Southeast Asia.

Sensuous. Mysterious. Thai.

The deluxe rooms and suites reflect a mood of timeless relaxation in a rustic village setting. The Lagoon rooms offer an incomparable style of simplicity and elegance. Bathrooms open into bedrooms that open on to expansive private terraces overlooking lotus-covered lagoons.

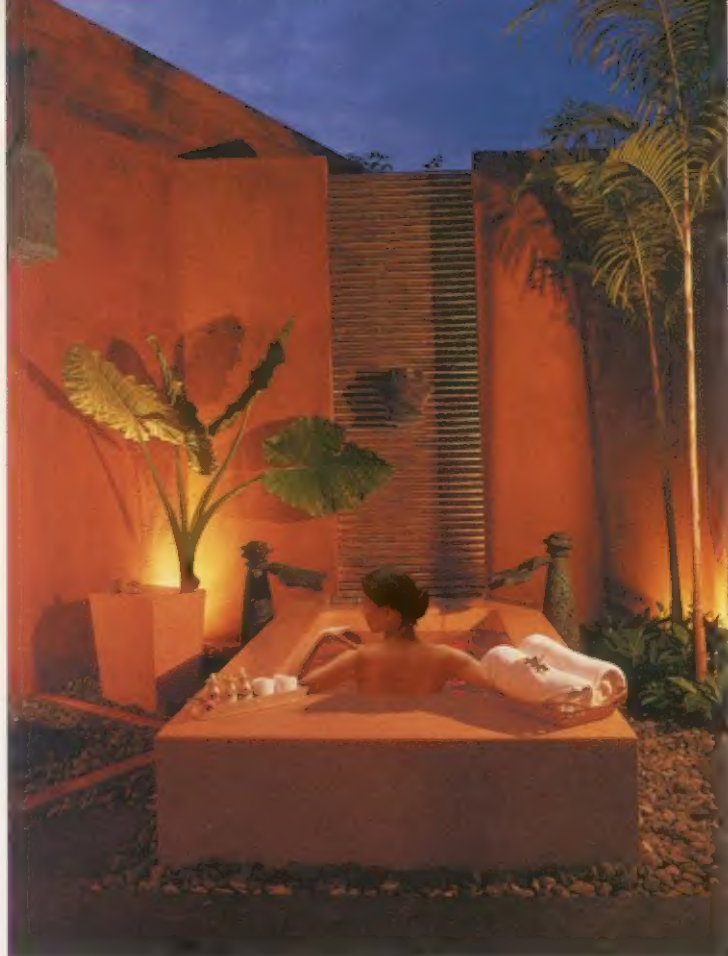

There's a unique style of service that is warm and friendly, unobtrusive yet very attentive. Enjoy the superb culinary skills of our master chefs and the multitude of exotic blends and tastes.

U nwind in lush tropical gardens on a sun bed, enjoy a sumptuous dining experience in the privacy of your own terrace, take a dip in a free-form pool or spend time out at the Spa and discover the elixir of eternal youth. For the more energetic there are six championship golf courses nearby and a multitude of water sports to enjoy.

Whatever your whim, Anantara Resort & Spa is truly a uniquely Thai experience for those seeking luxury and seclusion.
